

Ceramic projects

OMIO
ATELIER
& DESIGN

With more than 25 years of experience in designing, manufacturing and installing, Omio provides ceramics articles for interior and outdoor design.

In our factory we use efficient and modern materials to mould our products.

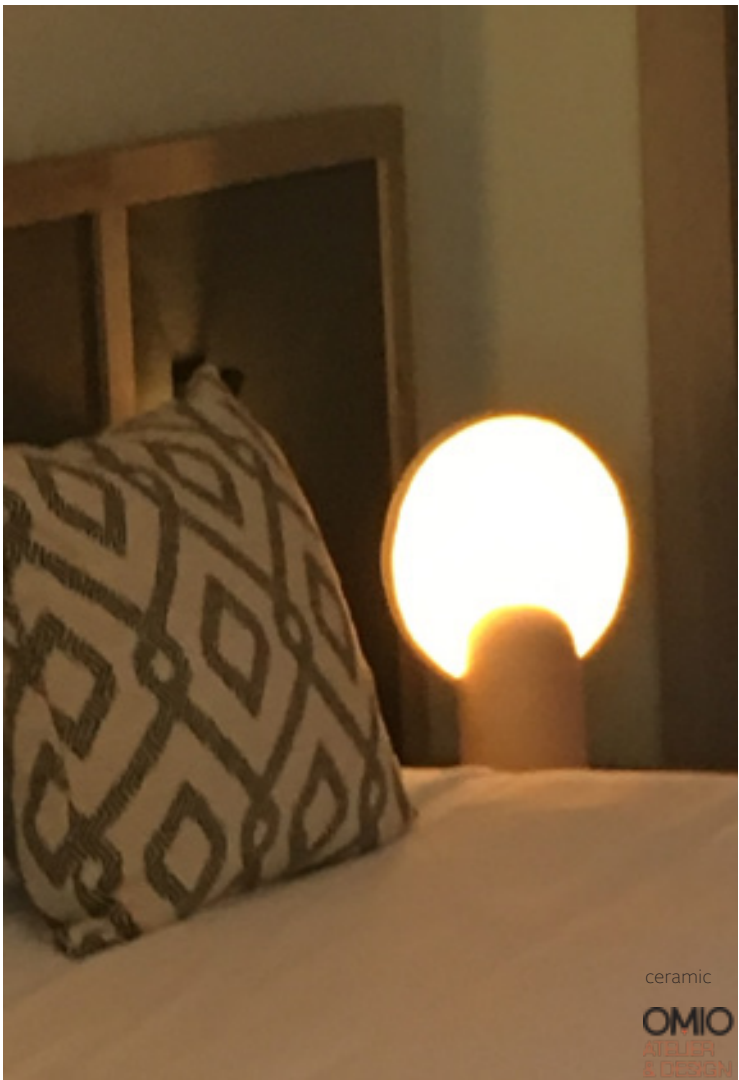

We manufacture the ceramic at high temperatures to create hand-made pieces.

Our highly experienced team of professionals is well versed in the luxury sector and brings unique expertise to every stage of your project, from initial design to the finishing touches.

Omio serves a luxury clientele worldwide including architects, hotels, interior designers.
